## The Power of ONE

- In 1776, English was chosen over German as the language for America by 1 vote.
- In 1800, after an Electoral College tie, the House of Representatives voted Thomas Jefferson the 3<sup>rd</sup> President of the United States by 1 vote.
- In 1846, One vote in the Senate decided on war with Mexico.
- In 1867, the Alaska Purchase was ratified by 1 vote.
- In 1868, President Andrew Johnson was saved from impeachment by 1 vote.
- In 1876, Rutherford B. Hayes became President of the United States over Samuel Tilden by 1 vote.
- In 1923, Hitler won the leadership of the German Nazi Party by 1 vote.
- In 1948, Lyndon B. Johnson became a U.S. Senator by 1 vote.
- In 1948, If Harry Truman's opponent, Thomas Dewey, had received one vote more per precinct in Ohio and California, there would have been a tie and the House of Representatives would have decided the election. And because Dewey had more support in the House than Truman, Dewey would have won.
- California, Idaho, Oregon, Texas and Washington all became states by 1 vote.

So can you, as just one person, make a difference? Be that one person at your church who volunteers, and causes others to join you. Be that one person at your lodge who brings in a new member. Always be the best you can be, no matter if you are the only one, because one person does matter and does make a difference.

Ron Wise, WM

Pondering

I have sat at my desk now for the past three days, trying to come up with something to write about for you, my brothers. Something that will inspire you, something that will make you ponder Masonry and your place in the universe. ....I got nothing.

Then it hit me, I don't have to inspire you, or make you ponder anything. As Masons we have all reflected on not only our lives, but the lives around us. We have all asked ourselves "what can I do to make it better?" That's why we all walked into a lodge for the first time and asked "how do I become a Mason?" We asked because we wanted to do more and we have. I look back at the time that I have been a Mason and am utterly amazed at all that we as a lodge, and as individuals, have done. I have said it before and I will say it again, "I am proud to be a Mason, and honored to be a Roy Stanley Mason."

No One Called! No One Came! No One Cares!

How many times a day does this thought go through the minds of the bedridden, disabled, or retired Americans? We are the most affluent and powerful nation in the world today! We enjoy the cleanest environment, religious freedoms, the best nutrition, an infrastructure of transportation, medical, entertainment, and an educational system second to none. However, many suffer from depression, anxieties and worst of all loneliness in the greatest society known to man!

How can we as Masons help enhance those disenfranchised lives and provide many wonderful and beautiful experiences? Make that call to invite or volunteer to provide transportation to a "Family Night" or "Widows and Officers Dinner". Take a few minutes and let somebody tell you about their day on the phone. Be the one to take someone to church, shopping or just run errands for them. Go by and visit to show someone you and others do care! Take the time to be a Mason! Be the one in someone! Someone called, someone came by, and someone does care!

Junior Warden

**From The Secretary**

A problem that seems to popup at this time of the year is bad or incomplete contact information. You would be surprised how often members move and we lose contact information. Often we receive updated address information from the post office when mailing the Trestle Board. The post office charges 44 cents for this updated information, which often shows unknown or undeliverable. Those 44 cents charges can add up if it gives useless information. Another problem is phone numbers that change. Please help keep the lodge with updated address and phone number information. If your phone is unlisted it will be marked on the records and not given out or published just let us know so your privacy can be respected.
