October 2010

In September we enjoyed two outstanding evenings; one was a Golden Trowel Award, and the other was a Members/Wives/Widows Appreciation Night. Both programs focused on how family-friendly our lodge is. We had great feedback from the non-masons who attended. I'm very proud of how we all have been putting the right foot forward.

October will be a BIG month for lodge activity. There's lots going on, and we're earning our pay! I hope you will attend as many of the following as your schedule will permit. And always, please feel free to call any of the phone numbers in the Officers List for a ride, or to share your ideas. That's why those numbers are there.

**Sat Oct 9th Texas Masonic Family Day** on the grounds of the Texas Masonic Retirement Center in Arlington. Live entertainment, BBQ contest, craft booths, food booths, petting zoo, and much more. (10am-3pm). Our lodge will host one of the food booths.

**Tue Oct 12th 50yr/60yr Service Recognitions** at Roy Stanley Lodge. Please bring guests! Meal 6:30pm, Program 7:30pm. I am anticipating a crowd, and could use your help by bringing a covered dish.

**Sat Oct 23rd FISH FRY and BINGO FUNDRAISER** (6:30pm) for Roy Stanley Building Fund. Fish Fry with all the trimmings, and great prizes! Adult donations begin at only \$10, while kids and teens are free! I prefer to see you in person, but donations can also be mailed to Roy Stanley Lodge, PO Box 570984, Dallas TX 75387-0984.

**Tue Nov 9th Open Program to Honor Veterans** (6:30pm potluck style meal, 7:30pm program) Co-hosted by Rainbow Girl Assembly #127. If you know of a veteran who needs a ride, call me.

All of the above events are open to non-masons, so please invite your friends and neighbors, so that they can witness what a family friendly environment we enjoy at our Masonic lodge. In addition, it is always good to see brothers from other lodges accept our open invitation to visit Roy Stanley as often as they can.

Ok... I'm a procrastinator, I admit it,

As I sit here at my desk it is the 22<sup>nd</sup> day of September and I can almost feel our Honorable Worshipful Master and Secretary breathing down my neck. I, however, am under the opinion, and belief, that everything happens for a reason, and yes that includes my tardiness in writing this article.

I received an Email today informing me that our website had attracted someone's attention. Someone who was curious about Freemasonry, someone, who wanted to know what we were all about and how they could become a member in our glorious fraternity.

I cannot tell you the pride I felt knowing that we had touched someone in such a way. I have written many times about what Freemasonry means to me, and how much I love bragging on our little lodge. The fact that we can reach through the technological wonder that is the internet and touch someone's life is nothing short of miraculous to me.

It just goes to show that with a little hard work and determination we can all accomplish great things. Now if I can just remember to get my articles in on time.....

Chris McGhee  
Senior Warden

“Where are we? Where are we going? How are we going to get there?”

Every year I began my classes with a synopsis of what we had to accomplish during the ensuing year. After testing and inventories I would diagnose where we were and design a plan to present to my steering committee and then to the booster club for their evaluation as to how we might get there. Each student had a why because it was a mandatory situation with a grade! The variable was how hard a student wanted to work each six weeks to achieve individually and corporately as a group. This was not a volunteer classroom experience. We as Masons are volunteers in a Fraternity of Brothers seeking to help our own in whatever manner necessary while contributing our time and efforts in other charitable efforts as a lodge.

Each month we receive a Trestle Board in the U.S. Mail or by email. We are probably the last generation for newspapers but not the Trestle Board as many of our brothers do not have access to the immediate information and communication of a personal computer. Brother Wise delineates each month the activities of our lodge in our Trestle Board and asks for volunteers leaving his phone number at the close of each article. I hope his phone will vibrate, beep, or ring tone out of his pocket as brothers volunteer for the “Texas Masonic Family Day” to be held at the T.M.R.C. in Arlington, October 9, 2010. We have a great opportunity to be part of a wonderful experience. You are the “how” not the why or where!
